Head Quarters 1st Regt Ala. Vols,
Fort Gaines April 29th 1864

Sir:

I have the honor to ask that Par. XXIII,
Special Orders 1st 84, ^{Adm. Insp. Genl. Office, Richmond Va. April 11th 1864,}
which relieves Capt. D. Carmichael as 1st Ala. Vols, and
drops him from the rolls, on the ground that he has
not executed his bond, be suspended.

Captain Carmichael did execute sufficient bond and
forward it to Richmond, but through accident or care-
lessness, in the mail, it seems never to have reached
there. Before he could hear from it, Fort Hudson La
was invested, and, at its surrender, he became a
Prisoner of War. He is still a Prisoner of War, in the
hands of the enemy — and, having personal knowledge
of these facts, I submit this statement for him.

He is a most worthy, efficient, and gallant, officer,
and I respectfully ask that he be not dropped.

I am Sir

Richmond Va

March 11th 1863

The undersigned Officer commanding
the Confederate States Barracks and District at
Castle Thunder and Light House in Richmond
Va. feels the very great need of a chaplain
to labor among the men under his charge and
believing that great good might be accomplished
and the service thereby benefited he
so urgently recommends that
soon a chaplain be appointed and assigned
to labor at the Barracks and Light House.

Upon our acquaintance with Rev. Mr. [Name]
in his visit to and ministrations in our prison
we urgently ask that his appointment be
feeling, entirely confident that it will be
together acceptable with the men.

Respectable Mr. J.

Richmond Va March 11. 1863

Hon. Jas. S. Phelps, Secy. War,

Sir;

Res John S. Carpenter
has been from the beginning
of the War laboring most accepta-
bly, as an Evangelist and Colporteur
in the Army, in my employ.

His health having been impaired
by service in the Camp, I requested
him to labor a few months in
this City which he has done
with great acceptance and
profit to the sick, wounded and
prisoners.

If you think proper to con-
fer this appointment you will
secure a faithful Chaplain
and bestow upon the prisoners
of this City a great favor. There-
fore they have been sadly neglected.

Most respectfully,

A. E. Dickinson

Sir,
I met Mr. McKinnon while in
command of the depot. I met
Adjutant Capt. James F. Carpenter
of the C & A Co. who is doing duty at
the place as Post Commissary.
Capt. Carpenter has, since his
appointment here, been actively
engaged in the discharge of the
duties of the Office. His post
has lately become one of a great
deal of importance from the fact
that a large amount of foot
supplies have been ordered to
be collected here. Captain
Carpenter is a Kentuckian,
was prompt to join our cause
and distinguished himself.

is an active industrious and
intelligent good gentleman.

He has, hitherto fulfilled his
duties here to the satisfaction
of all and will I am
sure continue to do so.

As he has made himself
familiar with the duties
of his office here I respectfully
recommend that he be ap-
pointed Post Commissioner for
this place. He now fills the
place temporarily but is
quite as capable now as
he is expected to do at
any other place.

Dear Sir

Capt J. S. Carpenter. Port Commissioner
here has been notified thro the adpt. Genl^r
office that his nomination to the place
he holds has not been confirmed by the
Senate & thus his Commission is void.

If this was a case of a mere omission on
the part of the Senate to act (and I suppose
it was,) I hope very much Capt C. will

retain his place by reappointment. He
is a Kentuckian has been in the service
almost since the commencement of the
war - is a young man of excellent char-

-acter & ability, and is a most prompt
& able officer. He has filled

the office here for some 18 months -
is familiar with its duties, and gives
satisfaction - May I beg you to

enquire into this matter and if you
agree with me cause such order to be
given as will cause justice to be done

to Capt Carpenter - He has executed his

Official bond - } Vergeth N

Sir,

I enclose herewith a copy of a letter from Maj. C. E. Carr, a. g. m. at Norfolk, Va. relating to a payment improperly drawn from him as pay master by him. It is suggested that the pay account of C. E. Carr be examined into when the pay account of Maj. Carr is taken up for settlement, so that the amount of the next payment to Lt. C. Carr may be properly settled.

The original letter of May 1861 has been referred to the Adjutant General for his consideration.

W. W. S. Taylor, 2^d Auditor
Richmond, Va.

Sir

You have accurately stated the rules which should guide you in auditing the accounts of Major Carr, in your communication of the 23rd inst. to this Dept.

The date of muster as a general rule, furnishes the proper guide in determining the time from which pay begins. Where however troops have been received into service, in the absence

~~of an officer authorized to muster them, their~~
pay begins from the time when they were so received and made subject to the orders of the Confederate authorities.

I do not understand Major Carr as even questioning the propriety of your decision in the matter of clothing.

Yours etc. &c.
C. P. Benjamin
Secretary of War.

Copy of
Letter from Second Auditor
to Major C. E. Carr, Agent

(copy)

Treasury Department U. S.
Second Auditor's Office.
January 20, 1862.

Sir;

I find upon the examination of your accounts for disbursements made on account of payment to troops to 30th June. 1861, certain irregularities to which your attention is called.

1st - Upon many of the Pay rolls, for instance Nos. 39, 41, 42, 43, 45 & 48, payments have been made to soldiers from the date of their enrollment without reference to the time when mustered into the service of the U. S. and without any evidence accompanying said payments to show that there was any authority for it. Your attention is called to the fact that troops are only entitled to pay from the date when mustered into the service unless previously accepted and placed under orders by authority of the War Department. In the latter case they are paid from the date of such acceptance, which should be indicated on the muster rolls by the mustering Officer. See circular instructions from War Department relative

to "Rules of Organization", "Terms of Acceptance",
"Acceptance and Muster into Service" &c. &c.

Unless it will appear that the troops to whom
payments have been made from the date of their enroll-
ment were actually accepted and placed under orders by
the War Department, the amount paid from the date
when mustered into service will be disallowed.

It is even observed upon Document 46 that
payments have been ^{made} to recruits from the date when
they "left home", without any company organization
and therefore it is not at all probable that they were
under orders from the War Department. Such
payments are inadmissible.

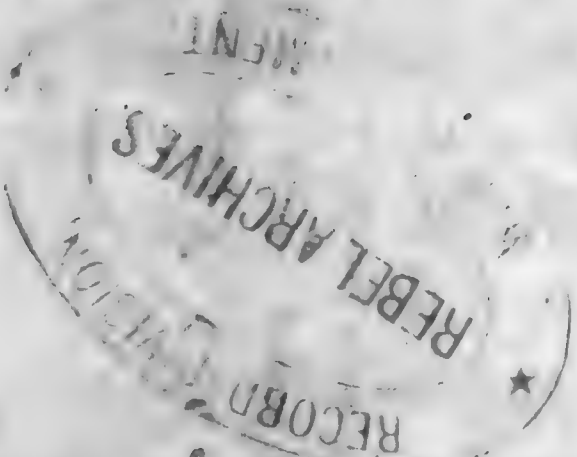

Secondly - It appears in many cases upon the
rolls that soldiers have received different articles
of clothing without the value having been given and
the same extended and deducted from the six months
allowance of \$25. Unless this mode is adopted, it
will be impossible for the accounting officers of the
Government to ascertain the aggregate value of the
clothing the soldier may have received at different
periods and when he has drawn to the full allowance.
When he does not wish to receive the amount that
may be due him after making the deductions

It can easily be carried forward from roll to roll
and thus present at a glance the condition of his
transactions with the Government. By examination
of the duplicate vouchers retained by you, you will
find the names of those who have received the
clothing and you are requested to make the
deductions as indicated on the rolls for the next
payment; but if impracticable on account of the
change of post or station you are requested
to notify this Office of the fact.

Your early attention is called to the
matter embraced in this communication.
I am Very Respectfully,
(Signed) H. H. S. Taylor,
Auditor.

recommended by the Command

New Orleans May 2^d 1861.

Hon C. M. Conrad.

Dear Sir,

The large force
called into the service of the Confederate States
will, I presume, require a corresponding in-
crease in the general staff. I was
appointed by President Polk, as asst in
chief, and served during the Mexican war
and for some time afterwards, in that
capacity, to the satisfaction of the Chief
of the Quarter Master Department, Gen Joseph
from whom, on the expiration of my Commission
I received a very flattering letter. I am very
familiar with the duties of that Department
and would above all things like an
appointment in it.

If you can advise
me in the matter, nothing would gratify me more.

so much. I have made no appeal
to the War Dept. believing that your
recommendation, if I can secure it, will
be sufficient to attain my object.

Believe me Dear Sir,

Very Respectfully

Your friend & old friend.

Sir

I fear that eight years of absence from the country may have obliterated my name and person from your memory, yet I trust when they shall be recalled to your recollection that you will permit to say a few words which may be useful to my friend
Lieut. Carr

I was Minister of the U.S. at Tunis during the great war of 1859. Many American officers then visited the Sardinian Territory for the purpose of studying the military art on a great scale. Among them was the bearer of this letter; and I was so much attracted by his superior energy and soldierlike character, that I took pains to gain from him opportunities of observation which no other foreign officer at that time either could or did attain. I can therefore vouch for the fact that he saw the great operations of that war as fully as it was possible to see them at all, and I have since heard several eminent Sardinian officers, with whom he was then brought in contact, say that they were struck by the vivid interest, intelligence and continued attention which he exhibited in following and watching the movements and events of that famous campaign.

I think it probable therefore that Lieut Cass
has gained all that an officer could probably gain
from witnessing the manoeuvres of the greatest
armies in some of the most active and decisive
fields of modern times. He has now resigned his
commission in the army of the United States, because
he will never use his sword against that
which he regards as his real country; and he
desires to take arms in behalf of the Southern
Confederacy.

Of his capacity and experience in other
quarters you are probably better informed than
myself. What I desire to do in this letter is to
testify to the fact that he has had the fullest
opportunities to learn all the military knowledge
that could be gained from the great school of
the Italian War. Having done so, I now have
the honour to assure you of the profound respect
with which I declare myself to be

your obedient servant

Hon. Mr. Jefferson Davis

Dear Sir -

~~This~~ will be handed
to you by my friend & constituent Lieut Geo. W.
Carr ~~of~~ of U.S.A., but who has just
resigned his commission in order that he
may tender his sword to the services of a
government whose cause he wishes to espouse
as his own and whose health has enlisted
all the noble feelings of a generous heart.
By the stand they have taken to assert their
equality in the Union or their independence
out of it.

Lieut Carr is not only very much a
soldier, but a gentleman of varied talents and
acquirements and occupies the highest position
in every relation of life. Born and reared in
Virginia - a near relative of Thomas Jefferson, and
imbued in no small degree with the noble
virtues of his illustrious ancestor he is a
most fit representative of the principles

for which you are contending and a most worthy
Champion of that cause of Independence whose
fortunes whether of good or ill he is anxious
to share. This generous step of unselfish devotion
on his part is I am sure sufficient to commend
him to your Excellency, but if further touches
be necessary let me say that I have known
him from our boyhood and that the
is not a true soldier - a better man
or a more devoted Southerner in the
Republic which alike honors and is honored
by having in the person of its Chief Magistrate
whom I am now addressing.

I will add that to my own knowledge
themselves efforts have been made in various
quarters to dissuade Mr. Cass from his state
of contemplated resignation, the loss of so
brilliant an officer being equally regretted with the
monopoly which such resignations are calculated
to effect.

I have the honor to remain

Dear Sir:

General S. M. Fair of Virginia, has assigned his commission in the United States Army, and makes part of his service to the Government of which he is the Chief Executive. Permit me, in support of his application to allow his application to be admitted as a soldier - in testimony which may carry a certain lance or rather me to bear with a perfect conviction that a man of commendation can exceed his merits.

He knows to our cause a heart devoted to the interests of the South, and to our service as a perfect Center, and an experience instructed by observation of the military art in its highest perfection.

Dear Sir -

I desire to introduce
you in charge of my friend Lieut Carr - a
gallant Soldier who not only refused to draw
his sword against a people who were
all the sympathies of his nation, but, using
its offer that sword to their service. For this
purpose he has resigned his position as an
officer in the U. S. A.

Now dear my dear Sir that your govern-

impulses by refusing to permit him to save
the danger and harassment of saving the nation &
its soldiers. What position you will assign him
will of course be a matter of consideration with your
government, but I trust it may be one commensurate
with his high abilities - his undiminished courage -
and the great exertion which he has taken
manifest for your cause.

I enclose letters from Hon. A. G. Jenkins of Virginia and Capt. Mearns, Superintendent of the Observatory at Washington, recommending Lieut. Sir

Upon a long & intimate
acquaintance with Col. Geo. W. Case, I take pleasure
in recommending him for appointment as one
of the judges of the Military Court for this
Division of the Army. His familiarity with the
service & acquaintance with the duties of Courts
Martial & military law, to the study of which he
has devoted much time, eminently qualify him
for this position. Before he became a soldier
he practiced law in Kanawha Co., where
besides acquiring experience in municipal
law, he became acquainted with the
people of this Section. He would, on
this account, be especially useful on
the Court for this Department; & I respectfully
suggest the appointment of him to this duty.

Hon James A. Seddon

Secretary of War,

Sir,

I beg that you will allow me to call your attention to the case of Capt. George Watson Carr, who is now acting as an Assistant Inspector in Genl. Bragg's Army, and to ask that you will do whatever may be in your power, consistently with the public interests, to confer on him the rank of Colonel in the Provisional Army.

Capt. Carr resigned his Commission in the United States Army before the secession of his native State (Virginia) with the view of offering his services to the Confederate Government, and received from it, while at Montgomery, the Commission he now holds - that of Captain in the 6th Regular Army. For - portion of the first year of the War he held the Commission of Colonel in the Provisional Army, but on its reorganization in the Spring of 1862 was not reelected - not by reason of any

Want of merit as an Officer, but as I have heard
and believe, for precisely the opposite reason -
his enforcement of proper discipline being the
objection to him.

Since that time he has been assigned to duty
as Inspector - first, in the Army in Western
Virginia, now, in that under the command
of Genl. Broggy, with the rank of Captain
merely.

I am told that it is customary to confer
the rank of Colonel in the Provisional Army
upon officers holding similar positions to
that of Capt. Carr in the Regular Army, &
assigned to similar duties - His being
kept in service with the rank of Captain
merely not only causes him to be ranked
by his juniors whose claims are certainly
higher than his, but subjects him to
jealous suspicions and surmises, which
are very sure are undeserved. I know
to be a gentleman of high character, &

excellent habits in all respects; and from
all I have heard from those qualified to
form an opinion on the subject & who have
had opportunities of doing so, I believe
him to be a most meritorious & useful
officer.

I earnestly hope it may be in your
power to relieve him & his friends from
the mortification to which they are now
subjected by reason of his present
position in the Army.

Very Respectfully
Yours.

As this ship is expected this morning, I am at a loss to know whether to have a change of light house, stating that a company was at hand to be made in. I have just learned that another from tomorrow will be in this evening. I will try to get both made tomorrow but they are very dilatory. I cannot suppose the company would approve my leaving here under the order of the Board of Admiralty. The British Association, which is now coming in. The tolls, sent by St. David, will enable me to make in some companies where you are, & to make them at home as I am from the United States whether most to the benefit of the country. I am sorry for some companies reported in the evening & about to start from the east.

Sunday July 9. 1861.

Sir

Early yesterday morning I was
arrested at Heflin by the 5th
Cavalry & carried to their
detachment & a soldier in
whose charge he placed me as a
prisoner.

Subsequently Col. Clark
took active aid, relieved the
sentinel from his guard & me
and advised me to go home & be
the same as before & to return
to the army in advance of the
troops.

I now respectfully ask
to be informed whether I am
to consider myself as only relieved
from close confinement in charge
of a sentinel & still under arrest
or whether I am released from
arrest.

If I am still under arrest
I respectfully ask what limitations
are imposed on me.

(over)

I make these inquiries that
I may avoid the same
military abuse of a rank
in service.

Sir, I addressed you an official
letter, stating my delay, in route,
to this place, & the nature of the sickness
that occasioned it. As soon as I was
able I came on, & arrived last evening.
The accompanying enclosure from
Paymaster Genl. Kelly, shows the
order, I was sent to fulfill. viz.
to furnish & keep up the
muster rolls, maintained by the
did not refer to the Wise Legion,
but to companies in the U.S. Service.
These rolls only, being paid by the
the Wise Legion to be paid by me
as per draft - &c. with which
the Pay Department is comprised.
And I have the honor to enclose
from Genl. Paymaster General
Myers &c. the accompanying
note. Showing that the muster
& pay rolls, must be made up from
the original muster rolls in the
hands of the company command-
ers, upon which to be furnished

from the Adj't Gen'l's Department.
 The company commanders only
 are able to account for each man
 upon their rolls, to furnish their re-
 spective history, the muster must be
 by themselves, & the Present & Absent
 at the date of the muster for payment.
 Copies of the original muster rolls,
 in the Adj't Gen'l's Department I would
 not have answered these ends.
 Having obtained from the Adj't
 Gen'l's Department 2 furnished, & 2
 Capt. & Company's list for the
 -portion, triplicate muster &
 pay rolls, not only for the twelve
 companies mustered by myself
 but for the thirty-six companies
 which compose the Legion.
 I have deemed that I could
 do no more in fulfillment of the
 order of Brig. Gen'l. Amos, than to report
 myself to the Adj't Gen'l. & to the
 which I have done &c. &c.

In honour to Sir
 Most Respectfully,

discharging the duties of the position
referred to, with great usefulness to the

I am informed that after joining the Army
he turned his attention especially to the subject
of military law, and has had much experience
as a member of Courts Martial, and as

From my estimate of his character, talents,
information and experience, I have no doubt
he is well qualified for a place as a member

To His Excellency Jefferson Davis
President of the Confederate States,

Sir,

I have been requested to give my opinion as to the qualifications of Capt. G. W. Carr, C. S. A. for a position as a member of one of the military Courts about to be organized.

I have known Capt. Carr intimately ever since we were law-students together, some twenty years ago; and have always entertained the highest esteem and regard for him.

After graduating in a very creditable manner in the law class of the University of Virginia, he practised the profession long enough to fix and increase the knowledge he had there acquired of the principles of the science. He left the practice however to accept a commission in the Army of the United States, which he held for several years, but resigned soon after the formation

Dear Jackson -

This will be handed to you by
Lieut Carr who has resigned his position
in the U. S. A. and desires service in a more
moment & among a people more congenial
with his sympathies. Need I say more
of him? If I do, I can only say that I know
him like a brother and feel towards him
pretty much the same way. He is a
gallant Soldier - indeed rather too fond of
gun-powder to suit my pacific nature, but
apart from this he is unexceptionable. He has
left permanent position with rank & certain
promotion before him - parted from a pretty
wife and goes among Sharps in a strange
land asking no boon but one, and that is that
they will put him an opportunity to help
them fight their battles and to share the
hazards & dangers of the movement which
has elicited all the sympathies of his noble nature.
I know you will interest yourself in his behalf. His
abilities fit for almost any rank -

Virginia has not made common
Cause with you yet, but the old Mother is
rather tardy in her movements. One of her sons
has concluded not to wait on her and when
he hands you this, will be ready with sword
& spur to charge on the enemies of the
Republic. What I want you to do is to see
it that he is placed in a position that will
enable an able and gallant Soldier to show
the mettle that is in him; and by the skill of
an accomplished officer and the coolness and
courage of a true Soldier to make it manifest
to all the world that Virginia has still some
children worthy of her former renown -

Lincoln is my constituent. I have known him
for many years and I know him to be

Sir.

I understand that
Col. P. J. Moore lately of the Military Court
for the Department of S. Western Va. had been
assigned to other duty in the reserve Corps
of Virginia. I am not informed whether
this position of Col. Moore is permanent or
temporary. Should it be permanent I
desire to recommend to your consideration
for the position on the Military Court, Major
James L. Carr, now Capt C.S. at Dublin
Depot. Major Carr is from Kanawha County
Virginia, a native of Albemarle, & has been
since the war a refugee from his home,
with his family, (a large one) but has
himself been in the service of C.S. in his
present position since the second year
of the war. He is a lawyer of high standing
& much ability, & pursued his profession
all his life. His integrity is unquestioned
& his character generally, that of a high-
minded, honorable Virginia gentleman.
He is considerably over fifty years of
age, & is & has been physically incapable
of field duty. A more thorough patriot

& one more selfsacrificing in his devotion
to our great cause, cannot be found
in our Commonwealth.

I hope it will be your pleasure
to confer the appointment of say
is to be made, upon Major East.

I have the honor to remain
your humble servant.

Permit me to
recommend to your favourable consideration
the name of Major James L. Carr C.S. for an
appointment as Judge of the Military Court of
the Dept W. Va. with the rank of Colonel to fill
the vacancy made by the promotion of Col P. T. Moore.
Major Carr was a Lawyer of high standing and
good practice in the County of Shenandoah and State of
Virginia, previous to the war. Embracing cordially
the cause of Virginia and the Confederate States,
he has throughout the war, with zeal and ability
discharged the duties of an office foreign to his
previous education and habits. Regarding Major
Carr as eminently fitted for the position, for which
application is now made I beg to urge his claims
to your favourable consideration.

Major,

I have the honor to state that being attached to the staff of Major General Frank Gardner, I have been doing detached duty in this department since the loss of Port Hudson, while awaiting the exchange of the General. As there is but little of that peculiar duty to be done at this time, I respectfully request a leave of absence for thirty days to visit my family in South Carolina whom I have seen but once since the beginning of the war and to arrange private business of a somewhat urgent character. This interval during the imprisonment of the General seems the most propitious season that will be likely to occur, and if the interests of the department permit, I trust this application will be granted.

Very Respectfully

Sir,

In your account current for the 3rd. Quarter 1862
you state that you have received \$12,122.40 from the Treasury of
the Confederate States, and in your monthly summary statement
for October 1862, you state that you received the same amount
from Dillon Major & C. S. This needs explanation.
In your account current for the 3rd. Quarter 1863 I find you
have taken up the sum of \$2300.00 and state that you received
the same from the Treasury of the Confederate States, as follows,
August 17th 1863, \$1000.00, August 26th 63, \$200.00, & August 27th 63, \$1000.00 -
saying as I do, that the sum of \$2300.00 was received
from the Treasury of the Confederate States, and not from any other source than the Treasury of the C. S., and to prevent
being charged twice with the same amount I desire you
to immediately the names of the persons from whom you
received the same, or, if from the Treasury of the C. S., state where.

 file, or received in any way that it was
 contrary to regulations to receive letters
 from civilians. Mr. Rogers was the
 Clerk who so informed him"

(over)

I do not remember Capt Carr,
nor the circumstances of his applica-
tion - it being impossible for me to remem-
ber from day to day what occurs in this
office. But I can confidently say, that
I never gave such a reply at any time,
to any person, upon any application
whatsoever. In proof of this, I need hardly
remind you, that the only letters which
we never fail to receive are those from
Civilians, military communications, alone
being sometimes returned, because not
sent through the proper channel.

What I did say to Captain Carr, I
presume was this - that he could not
see the Secretary, to present in person
an application for office, without previous
appointment, this being the long standing
rule of the Department, under which I was
acting. It is possible that I may further
have told him that the appointment of a
Business Commissioner would be made of

upon the nomination of the Board of
Commanders, and advised him perhaps to
secure that nomination in addition, he gave
instructions the letter of introduction as that ^{was} would
not of itself be sufficient and that he ^{was} supposed
to receive his letter, or stated that it could not
be seen, is impossible. I have never refused to
receive any letter, except for the purpose of giving
the proper direction to such as are not properly
brought to the business of the office, and even
then they are always received, then reported, and
afterwards appropriately referred.

In addition to this, I declined to see his letter
directly upon the Secretary in person which is all
I could have expected to do! I was only acting under
instructions from yourself, induced necessary by
the course of the business of the office.

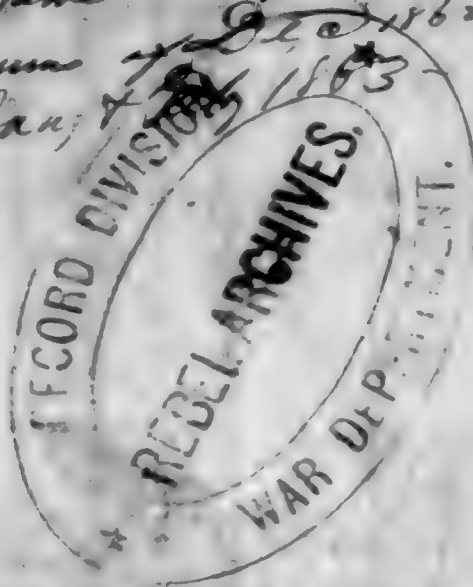

It is my misfortune in so unnecessary
to execute faithfully the impossible duties which
you have assigned to me, that I am frequently
compelled to say No, and thus to disappoint
persons whom otherwise I would willingly oblige.

Lieut. L. B. Northrop Commissionary General
Richmond, Va.

Dear Sir,

I have the honor to transmit herewith my returns for the months of September October and November and to inform that the delay in forwarding them is due to the great illness of the late Brig. Gen. J. B. Magruder. I was constantly in the field and unable to make them up. Since then I have been so occupied with the labors of this Post and for the past month of the position of things also, that it has been impossible for me to prepare them sooner.

The papers for December and January and part of those for February are ready except only some invoices not yet received. Hereafter there will be no delay except from this cause.

I have the honor to be, Sir,

Colonel

I have the honour to state that after the fall of Port Hudson, I was assigned to duty under the accompanying order. From the nature of that order it will be readily seen that I had no returns for the month of July 1863. Those for August are enclosed herewith. After that month they run regularly until October and November during which time I was absent on sick-leave; copies of the leaves of absence are enclosed.

On September 15 1863. I paid A. E. Seck two hundred and forty eight ⁷⁵/₁₀₀ Dollars (\$248 ⁷⁵/₁₀₀), the voucher for which will be found in those attached to Voucher of Contingent Disbursements numbered 1st. The claim was for Clinch here. He came out of Port Hudson with me but was left within the enemy's lines and did not rejoin me until about the 13th Sept. He was then discharged and returned to his regiment. Consequently his name does not appear upon the roll of employees (Form 21), his claim being partly for services rendered at Port Hudson and partly for the time he was employed in the Commissariat after the surrender and within the enemy's lines. I have the honour to be Colonel

Dr Sir

I find on examining my
accts that I did not forward my
Invoices with the monthly statements
and was not aware it was necessary
to do so at that time. therefore was so
unfortunate as to loose all of my
Invoices from Oct. 6 to March but the
fall of Newbern.

Would it be asking too much for
you to let Mr Blair, my Clerk, copy
the Receipts given during those months
by me to Maj W W Morrison and
Capt H. M. Drane they being the only
C.S. from whom I drew at that time
I have the amt on my Books as they
were Received but as some wastage
occurred in transporting them of course
those amounts will not correspond
with the Receipts given

Chas. E. Smith
Secretary of War
Richmond:

Sir, I have respectfully to report that upon receipt of my commission as Quartermaster at Newburgh 1851, I was sick & unable to attend to my duties. I was sent in by my physician, who informed me that I was not fit to perform the duties of the office. I was then sent to a private residence where I remained for a number of days, there being no Judge in Newburgh where the same was collected. I immediately had another physician made out & presented about early in the morning, which I only did so because I was near resigning from the office. I am now informed that you are in possession of a correct record.

I state the above not to excuse myself or explain the informal & unknown manner of delay. It places myself in a position to make a full statement of the facts. I have to thank you for an acknowledgment of the same. I have the honor to be Sir, Your Obedt Servt

I have the honor to report
that I have taken Mr. Carson's statement, a
copy of which I herewith enclose. It seems
to settle his case clearly enough. The money
taken from him by Lieut. Mix was undoubtedly
intended for the purchase of provisions for
the rebel government. The money, some
eighteen hundred dollars, was paid by
Lieut. Mix by my order to a citizen of
Northumberland County who was apparently
as loyal as any I found there, for provisions
for my troops. The Mr. Harper taken as a
prisoner was sent for by the authorities
at Washington, he being a notorious
blockade runner and offender in

various other respects.

Mr Carrere is a notorious rebel who wrote his friends in Boston that he should not return there but should join the Confederate Army as I am informed by one who knew him well.

I trust he will be kept a prisoner during the war and then hung for his treason.

The letter of Carrere to the Commanding General is also herewith enclosed.

I Wm. Canere do declare that I am a citizen of
Richmond Va was born in Maryland and lived in Bos-
ton Mass. for a year before the war Was appointed Major
in the Confederate Service in Nov. 1861 - Served as G. Master
in Genl. Lee's Army until Dec. 1862, when I resigned - Had
no gov. employment since. Have since lived in Richmond
and Charlottesville Va. Was captured Jan. 12 last at Warsaw
Richmond Co. by Lieut. Alex. I was then simply for
my own pleasure. Had been at Heathsville for three
or four days before my capture. Mr. Hodge was
captured with me. Had been at Heathsville for his
pleasure also. I had been through the country there
for some ten days through Westmoreland and Richmond
Counties by myself went to just see the country
and attend to some contracts of a friend Mr.
Huntton. The contract was for provisions for the
Confederate Government. Huntton was in Richmond
Went to Warsaw for him and to see his agent
who was there. The contract was for meats - no limit
to it - was to buy all he could. Some was collected
and pd. for. Lieut. Alex. took from me a package
of Confederate money. Don't know how much there
was - had never counted it. Had taken some out
of it - think there must have been about three thousand
dollars. I received the money from a Bank. Farmers
Bank in Richmond. The provisions contracted for
were collected all through the country where we

could find them. They were to be ferried across the
Rappahannock and then to be carried by teams or
Rail Road to Richmond. It had not been decided
which. Another party was attending to it. I was to
look after it. We had to give a dollar and
twenty five cents per hundred for bacon: eighty cents
per pound for round hogs - sixteen or twenty cents for
beef, thirty dollars per head for sheep. The contract
was only for meats. I purposed going back to Rich-
mond in a day or two. Not before been in
Maryland except with the Army since the war began.
Was with the Army at Paducah, City, Harrison, Tenn.
Hillman's Point and about there.
